## The Song from Moulin Rouge

Whenever you kiss I worry and wonder Your lips maybe near but where is your heart It's always like this I worry and wonder You're close to me here but where is your heart

It's a sad thing to realize that you have a heart that never melts when we kiss do your close you eyes pretending that I'm someone else You must break the spell this cloud that I'm under So please won't you tell darling where is your heart

It's a sad thing to realize that you have a heart that never melts when we kiss do your close you eyes pretending that I'm someone else You must break the spell this cloud that I'm under So please won't you tell darling where is your heart Sam Cooke
