

# There'll Be No Second Time

Sam Cooke

You done me wrong  
I tried to be kind baby  
'cause you told me you were mine o mine  
But you walked out and left me behind  
So there'll be no second time

I was a fool to give my love  
Cause you swore you'd love me  
by the stars above  
But you walked out and left me behind  
So there'll be no second time

Go on laugh and have your fun  
Let the good times keep rollin' on  
There'll come a day  
when you have to pay  
for everything that you have done

You can cry, you can rave  
Try to show you love me  
in a million ways  
But you walked out and left me behind  
So there'll be no second time

Go on laugh and have some fun  
Let the good times keep rollin' on  
There'll come a day  
when you have to pay  
for everything that you have done

Listen to me  
You can cry, you can rave  
Try to show you love me  
in a million ways  
But you walked out and left me behind  
So there'll be no second time

There certainly will be  
no second time
