They Can't Take That Away from Me

Sam Cooke

The way you wear your hat The way you sip your tea The memory of all that They can't take that away from me

The way your smile just beams The way you sing off-key The way your haunt my dreams They can't take that away from me

We may never, never meet again On the bumpy road to love But I'll always, always keep the memory of But I'll always, always keep the memory of

The way you hold your knife The way we dance 'til three The way you changed my life No, they can't take that away from me No, they can't take that away from me
