## Venus

Sam Cooke

O Venus, hey Venus make my dreams come true Venus if you will Send a little girl for me to thrill A girl who wants my kisses and my arms A girl with all the charms of you Venus make her fair a lovely girl with sunlight in her hair and take the brightest stars up in the skies And place them in her eyes for me

Venus, goddess of love that you are Surely the things I ask can't be too great a task Venus if you do, I promise that I always be true I'll give her all the love I have to give As long as we both shall love

O venus, O venus make my dreams come true O Venus
