

# Take Your Time

Sam Hunt

I don't know if you were looking at me or not  
You probably smile like that all the time  
And I don't mean to bother you but  
I couldn't just walk by  
And not say, "Hi"

And I know your name  
'Cause everybody in here knows your name  
And you're not looking for anything right now  
So I don't wanna come on strong  
Don't get me wrong

Your eyes are so intimidating  
My heart is pounding but  
It's just a conversation  
No, girl I'm not wasted  
You don't know me  
I don't know you but I want to

I don't wanna steal your freedom  
I don't wanna change your mind  
I don't have to make you love me  
I just wanna take your time

I don't wanna wreck your Friday  
I ain't gonna waste my lines  
I don't have to take your heart  
I just wanna take your time

And I know it starts with "Hello"  
And the next thing you know you're trying to be nice  
And some guys getting too close  
Trying to pick you up  
Trying to get you drunk

And I'm sure one of your friends is about to come over here  
'Cause she's supposed to save you from random guys  
That talk too much and wanna stay too long  
It's the same old song and dance but I think you know it well

You could've rolled your eyes  
Told me to go to hell  
Could've walked away  
But you're still here  
And I'm still here  
Come on let's see where it goes

I don't wanna steal your freedom  
I don't wanna change your mind  
I don't have to make you love me  
I just wanna take your time

I don't have to meet your mother  
We don't have to cross that line  
I don't wanna steal your covers  
I just wanna take your time

I don't wanna go home with you

I just wanna be alone with you

I don't wanna steal your freedom  
I don't wanna change your mind  
I don't have to make you love me  
I just wanna take your time

I don't wanna blow your phone up  
I just wanna blow your mind  
I don't have to take your heart  
I just wanna take your time

No, I ain't gotta call you baby  
And I ain't gotta call you mine  
I don't have to take your heart  
I just wanna take your time
