

God Is Watching You

Sam Phillips

When your life's about to start
God is watching you
When you have a shattered heart
God is watching you
When you're a slave and when you're freed
God is watching you
When what you call love's really need
God is watching you

God is watching you
God is watching you

When you wake up in the night
God is watching you
When you're dancing in the light
God is watching you
When you don't need to use force
God is watching you
When you don't ever feel remorse
God is watching you

When you're a hero to us all
God is watching you
When you take that fated fall
God is watching you
When you hide your head in the sand
God is watching you
When you find a brand new land
God is watching you

When out of fear you judge your friend
God is watching you
When you let a stranger in
God is watching you
When you always have to win
God is watching you
When love requires that you give in
God is watching you

When you play the cards you're dealt
God is watching you
When you won't reveal yourself
God is watching you
When you believe enough to die
God is watching you
When you say your last goodbye
God is watching you
