Black niagara
Of control spilling down to culture mock
You can tell me
Feet will land on the ground, safe, and walk

Tripping over gravity Missing logic Tripping over gravity

Hicks on fire Commuter virus has killed the balance ball Stained with heaven Always washing our legs won't move at all

Tripping over gravity Missing logic Tripping over gravity

Free thought pirates
Neon fights flashing rights on concrete lace
Sleepless tired
Walls of print chatting cage on jokers face

Tripping over gravity Missing logic Tripping over gravity
