

# Safe with Me

Sam Smith

1. If you ever need me just tell me and I'll be there  
Cause I was built for you, yes I was built to carry all your feelings  
Cause I won't let them know, I won't let you go baby  
I don't care what your past is, I don't need no answers just have faith in me

R: Don't you know your secret's safe with me  
All your worries can be put to, can be put to sleep  
Don't you know your secret's safe with me  
All your worries can be put to, can be put to sleep

2. No need to step back, don't be scared, I got you, you know that  
I'm here when you are sad when all of your clouds turn black  
Cause I won't let them know, I won't let you go baby  
I don't care what your past is, I don't need no answers just have faith in me

R: Don't you know...
