

# Happiness

Sam Sparro

I can see the sun coming up, and I need it - ooh yeah  
I feel like I've been down for a while  
Cause if the grass was always greener, then you know I haven't  
seen her,  
I feel like I been dying for a smile

OoOooh ooOooh, and I'm not gonna stop, ooOooh  
Cause times waits for no one  
Oooh ooOooh I gotta warn me what I got ooOooh  
While I'm alive (live)

I can feel the world spinning round, can you feel it? - ooh yeah  
h  
Before everything comes tonight  
I've been blinded by the light, and can't see a thing in sight  
Sit tight sit tight, it'll be alright - woaaaaah

OoOooh ooOooh, and I'm not gonna stop, ooOooh  
Cause times waits for no one  
Oooh ooOooh I gotta warn me what I got ooOooh  
While I'm aliiive

Happiness, you belong to me!  
Happiness your mine - ooOOoo-wooah
