

Happiness

Sam Sparro

I can see the sun coming up, and I need it - ooh yeah
I feel like I've been down for a while
Cause if the grass was always greener, then you know I haven't
seen her,
I feel like I been dying for a smile

OoOooh ooOooh, and I'm not gonna stop, ooOooh
Cause times waits for no one
Oooh ooOooh I gotta warn me what I got ooOooh
While I'm alive (live)

I can feel the world spinning round, can you feel it? - ooh yea
h
Before everything comes tonight
I've been blinded by the light, and can't see a thing in si-
ght
Sit tight sit tight, it'll be alright - wooaaaah

OoOooh ooOooh, and I'm not gonna stop, ooOooh
Cause times waits for no one
Oooh ooOooh I gotta warn me what I got ooOooh
While I'm aliive

Happiness, you belong to me!
Happiness your mine - ooOOoo-wooah
