

As Long As You Love Me

Sam Tsui

As long as you love me As long as you love me As long as you love me

We're under pressure Seven billion people in the world Trying to fit in Keep it together Smile on your face Even though your heart is frowning

But hey now, Ya know girl We both know it's a cruel world But I will take my chances

As long as you love me We could be starving We could be homeless We could be broke

As long as you love me I'll be your platinum I'll be your silver I'll be your gold

As long as you la(x17)love me As long as you la(x17)

I'll be your soldier Fighting every second of the day For your dreams girl I'll be your whole world You can be my Destiny's Child on a stinger So don't stress Don't cry We don't need no wings to fly Just take my hand

As long as you love me We could be starving We could be homeless We could be broke

As long as you love me I'll be your platinum I'll be your silver I'll be your gold

As long as you la(x17)love me As long as you la(x17)

I don't know if this makes sense but Your my hallelujah Give me a time and place I'll rendezvous it I'll fly to it I'll meet you there Girl you know I got you Us trust a couple things I can't spell without u

Now we on top of the world Cuz that's just how we do Used to tell me sky's the limit Now the sky's our point of view Man we steppin' out like woah (oh God) Cameras point and shoot Ask me what's my best side I step back and point at you, you, you The one that I argue with Feel like I don't need a new girl to be bothered with But the grass ain't always greener on the other side It's only green where you water it So I know we got issues baby true, true, true But I'd rather work on this with you Then to go ahead and start with someone new (as long as you love me)

As you love me We could be starving We could be homeless We could be broke

As long as you love me I'll be your platinum I'll be your silver I'll be your gold

As long as you love, love me, love me As long as you love, love me, love me As long as you love, love me, love me As long as you love, love me, love me As long as you love me
