

# Breaking Free

Sam Tsui

We're soaring, flying  
There's not a star in heaven that we can't reach  
If we're trying, so we're breaking free  
You know the world can see us  
in a way that's different than who we are  
Creating space between us  
Till we're separate hearts  
But your faith it gives me strength,  
Strength, to believe  
We're breaking free  
We're soaring  
We're flying

There's not a star in heaven that we can't reach  
If we're trying  
Yeah we're breaking free  
Oh we're breaking free (ooh yeah)  
Can you feel it building?  
Like a wave the ocean just can't control  
Connected by a feeling  
Oh in our very souls (very souls ooh)  
Rising till it lifts us up  
So everyone can see

We're breaking free  
We're soaring  
We're flying  
There's not a star in heaven that we can't reach  
If we're trying  
Yeah we're breaking free  
Oh we're breaking free  
We're running  
We're climbing  
To get to the place  
To be all that we can be

Now's the time  
So we're breaking free  
Oh, we're breaking free (ooh yeah)  
More than hope  
More than faith

This is truth  
This is fate  
And together  
We'll see it coming  
More than you  
More than me

Not a want  
But a need  
Both of us breaking free  
Soaring  
Oh flying  
There's not a star in heaven that we can't reach  
If we're trying  
Yeah we're breaking free (we're breaking free)

Whoa  
Running

Oh climbing  
To get to the place  
To be all that we can be  
Now's the time, (now's the time)  
So we're breaking free  
Oh we're breaking free (oh)  
You know the world can see us  
In a way that's different from who we are
