

Halo

Sam Tsui

Remember those walls I built
Well, baby they're tumbling down
They didn't even put up a fight
They didn't even make up a sound

I found a way to let you in
But I never really had a doubt
Standing in the light of your halo
I got my angel now

It's like I've been awakened
Every rule I had you breakin'
It's the risk that I'm takin'
I ain't never gonna shut you out

Everywhere I'm looking now
I'm surrounded by your embrace
Baby I can see your halo
You know you're my saving grace

You're everything I need and more
It's written all over your face
Baby I can feel your halo
Pray it won't fade away

Oh, I can see your halo, your halo, your halo, your halo

Hit me like a ray of sun
Burning through my darkest night
You're the only one that I want
Think I'm addicted to your light

I swore I'd never fall again
Oh, but this don't even feel like falling
Gravity can't forget
To pull me back to the ground again

It's like I've been awakened
Every rule I had you breakin'
It's the risk that I'm takin'
I ain't never gonna shut you out

Everywhere I'm looking now
I'm surrounded by your embrace
Baby I can feel your halo
You know you're my saving grace

You're everything I need and more
It's written all over your face
Baby I can feel your halo
Pray it won't fade away

I can feel your halo, your halo, your halo, your halo
Ooh, ooh
I can feel your halo
I can feel your halo

Everywhere I'm looking now
I'm surrounded by your embrace
Baby I can feel your halo
Your halo
