Halo

Remember those walls I built Well, baby they're tumbling down They didn't even put up a fight They didn't even make up a sound

I found a way to let you in But I never really had a doubt Standing in the light of your halo I got my angel now

It's like I've been awakened Every rule I had you breakin' It's the risk that I'm takin' I ain't never gonna shut you out

Everywhere I'm looking now I'm surrounded by your embrace Baby I can see your halo You know you're my saving grace

You're everything I need and more It's written all over your face Baby I can feel your halo Pray it won't fade away

Oh, I can see your halo, your halo, your halo, your halo

Hit me like a ray of sun Burning through my darkest night You're the only one that I want Think I'm addicted to your light

I swore I'd never fall again Oh, but this don't even feel like falling Gravity can't forget To pull me back to the ground again

It's like I've been awakened Every rule I had you breakin' It's the risk that I'm takin' I ain't never gonna shut you out

Everywhere I'm looking now I'm surrounded by your embrace Baby I can feel your halo You know you're my saving grace

You're everything I need and more It's written all over your face Baby I can feel your halo Pray it won't fade away

I can feel your halo, your halo, your halo, your halo Ooh, ooh I can feel your halo I can feel your halo
