You had a lot of crooks tryna steal your heart Never really had luck, couldn't never figure out How to love How to love You had a lot of moments that didn't last forever Now you in the corner tryna put it together How to love How to love For a second you were here Why you over there? Its hard not to stare, the way you moving your body Like you never had a love Never had a love When you was just a young'un you're looks but so precious But now your grown up So fly its like a blessing but you can't have a man look at you for 5 second Without you being insecure You never credit yourself so when you got older It's seems like you came back 10 times over Now you're sitting here in this damn corner Looking through all your thoughts and looking over your shoulder See you had a lot of crooks tryna steal your heart Never really had luck, couldn't never figure out How to love How to love See you had a lot of moments that didn't last forever Now you in the corner tryna put it together How to love How to love For a second you were here Why you over there? Its hard not to stare the way you moving your body Like you never had a love Had a love You had a lot of dreams that transform to visions The fact that you saw the world affected all your decisions But it wasn't your fault Wasn't in your intentions You the one here talking to me You don't wanna listen But I admire your poppin bottles and dippin' Just as much as you admire bartending and stripping Baby, so don't be mad Nobody else trippin

You see a lot of crooks and the crooks still crook

See You had a lot of crooks tryna steal your heart Never really had luck, couldn't never figure out How to love How to love

See you had a lot of moments that didn't last forever Now you in the corner tryna put it together How to love How to love

Oooh,
See I just want you to know
That you deserve the best
You're beautiful
You're beautiful
Yeah

And I want you to know, you're far from the usual Far from the usual

You see you had a lot of crooks tryna steal your heart Never really had luck, couldn't never figure out How to love How to love

See you had a lot of moments that didn't last forever Now you in the corner tryna put it together How to love How to love

See you had a lot of crooks tryna steal your heart Never really had luck, couldn't never figure out How to love How to love

See you had a lot of moments that didn't last forever Now you in the corner tryna put it together How to love How to love
