

It Will Rain / Set Fire To The Rain

Sam Tsui

Oh Oh Oh Oh
Oh Oh Oh Oh
If you ever leave me baby,
Leave some morphine at my door....
Cuz It will take a whole lot of medication.
To realize what we used to have we don't have it anymore.

There's no religion that could save me.
No matter how long my knee's are on the floor
So keep in mind all the sacrifices I'm making
To keep you by my side
And to keep you from walking out the door.

But there's a side to you that I never knew , never knew
All the things you said they were never true never true
And the games we played you would always win always win...

But I set,
There'll be no sunlight if I lose you baby.
There'll be no clear skies if I lose you baby.
Just like the clouds,
My eyes Would do the same if you walk away, everyday It will rain rain rain.

And I Set fire to the rain to the rain watch it pour as I touch your face.
Well, it burned while I cried
'Cause I heard it screaming out your name, your name.

I set fire to the rain
And I threw us into the flames
Well, it felt something died
And I knew that that was the last time, the last time!

Sometimes I wake up by the door,
That heart you caught must be waiting for you
Even now when we're already over
I can't help myself from looking for you.

OHHH OHHH OHHH
OHHH OHHH OHHH
Yeah...

The games you played you would always win always win...

But I set fire, There'll be no sunlight if I lose you baby.
There'll be no clear skies if I lose you baby.
Just like the clouds,
My eyes
Would do the same if you walk away,
Everyday
It will rain rain rain.

Set fire to the rain to the rain watch it pour as I touch your face.
Well, it burned while I cried
'Cause I heard it screaming out your name, your name.
LET IT BURN
LET IT BURN
LET IT BURN

It's the last time, the last time

Cuz there'll be no sunlight if I lose you baby.

There'll be no clear skies if I lose you baby

Just like the clouds my eyes will do the same if you walk away,

Baby, I'll set fire, fire fire to the rain..
