

# Just A Dream

Sam Tsui

I was thinkin about you  
Thinkin bout me  
Thinkin about us  
What we gunna be  
Open my eyes...  
It was only just a dream

So I travel back down that road  
Will you come back?  
No one knows  
I realize, it was only just a dream

I was at the top  
Now its like I'm in the basement  
Number 1 spot  
Now you finding a replacement  
I swear now that I can't take it  
Knowing somebody's got my baby

Now you ain't around, baby I cant think  
I shoulda put it down, shoulda got that ring  
Cuz I can still feel it in the air  
See your pretty face  
Run my finger through your hair

My lover  
My life  
My baby  
My wife  
You left me, I'm tight  
Cuz I know that it just aint right

I was thinkin about you  
Thinkin about me  
Thinkin about us  
Where we gunna be  
Open my eyes...  
It was only just a dream

So I travel back down that road  
Will you come back?  
No one knows  
I realize, it was only just a dream

And I be ridin'  
And I swear I see your face at every turn  
I try to get my usher on but I can't let it burn  
And I just hope you know that you're the only one I yearn for  
No longer I be missin will I learn

Didn't give you all my love  
I guess now I got my payback  
Now I'm in the club thinking all about you baby  
Hey  
You was so easy to love  
But wait, I guess that love wasn't enough  
I'm goin through it every time that I'm alone

And now I'm wishing that you'd pick up the phone  
But you made a decision that you wanted to move on  
Cuz I was wrong

I was thinkin about you  
Thinkin about me  
Thinkin about us  
Where we gunna be  
Open my eyes...  
It was only just a dream

So I travel back down that road  
Will you come back?  
No one knows  
I realize, it was only just a dream

If you ever loved somebody put your hands up And now they're gone and you're  
wishin could give them everything  
Oh, And now they're gone and you're wishin you could give them everything...

I was thinkin about you  
Thinkin about me  
Thinkin about us  
Where we gunna be  
Open my eyes... (Open my eyes)  
It was only just a dream (Its just a dream)  
So I travel back down that road (Travel back, Travel back)  
When you come back? (Down the road, Down the road)  
No one knows (No one knows)  
I realize, it was only just a dream (No, no, no, no)
