

## Mirrors

Sam Tsui

Aren't you somethin' to admire  
Cause your shine is somethin' like a mirror  
And I can't help but notice  
You reflect in this heart of mine

If you ever feel alone and  
The glare makes me hard to find  
Just know that I'm always  
Parallel on the other side

Cause with your hand in my hand and a pocket full of soul  
I tell you there's no place we couldn't go  
Put your hand on the glass  
I'm here tryin' to pull you through  
You gotta be strong

Cause I don't wanna lose you now  
I'm starin' right at the other half of me  
The vacancy that sat in my heart  
Is a space that now you hold  
Show me how to fight for now  
And I'll tell you, baby, it was easy  
Comin' back into you once I figured it out  
You were right here all along

It's like you're my mirror, o-oh  
My mirror staring back at me, o-oh  
I couldn't get any bigger, o-oh  
With anyone else beside me, o-oh  
And now it's clear as this promise  
That we're making  
Two reflections into one  
It's like you're my mirror, o-oh  
My mirror staring back at me, staring back at me

Aren't you somethin', an original  
Cause it doesn't seem really as simple  
And I can't help but stare, cause  
I see truth somewhere in your eyes  
Ooh, I can't ever change without you  
You reflect me, I love that about you  
And if I could, I  
Would look at us all the time

Cause with your hand in my hand and a pocket full of soul  
I can tell you there's no place we couldn't go  
Your hand on the glass  
I'm here tryin' to pull you through  
You gotta be strong

Cause I don't wanna lose you now  
I'm starin' right at the other half of me  
The vacancy that sat in my heart  
Is a space that now you hold  
Show me how to fight for now  
And I'll tell you, baby, it was easy  
Comin' back into you once I figured it out

You were right here all along, woahoooh

It's like you're my mirror, o-oh  
My mirror staring back at me, o-oh  
I couldn't get any bigger, o-oh  
With anyone else beside me, o-oh  
And now it's clear as this promise  
That we're making  
Two reflections into one  
It's like you're my mirror, o-oh  
My mirror staring back at me, staring back at me

Yesterday is history, ooooooh  
Tomorrow's a mystery, woahoh  
I can see you lookin' back at me  
Keep your eyes on me  
Baby, keep your eyes on me

Cause I don't wanna lose you now  
I'm starin' right at the other half of me  
The vacancy that sat in my heart  
Is a space that now you hold  
Show me how to fight for now  
And I'll tell you, baby, it was easy  
Comin' back into you once I figured it out  
You were right here all along, oooh

It's like you're my mirror, o-oh  
My mirror staring back at me, o-oh  
I couldn't get any bigger, o-oh  
With anyone else beside me, o-oh  
And now it's clear as this promise  
That we're making  
Two reflections into one  
It's like you're my mirror, o-oh  
My mirror staring back at me, staring back at me

Aren't you somethin' to admire  
Cause your shine is somethin' like a mirror  
And I can't help but notice
