

One More Night

Sam Tsui

You and I go hard at each other like we're going to war.
You and I get rough, we keep throwing things and slamming the door.
You and I get so damn dysfunctional, we stopped keeping score.
You and I get sick, and you know that we can't do this no more.

But baby, there you go again, there you go again, making me love you.
Yeah, I stopped using my head, using my head, let it all go.
Got you stuck to my body, to my body, like a tattoo.
And now I'm feeling stupid, feeling stupid, crawling back to you.

So I cross my heart and I hope to die
That I'll only stay with you one more night
And I know I've said it a million times
But I'll only stay with you one more night
One more night

Try to tell you "no," but my body keeps on telling you "yes".
Try to tell you "stop," but your lipstick gets me so out of breath.
I keep waking up in the morning, probably hating myself.
I keep waking up, feeling satisfied but guilty as hell.

But baby, there you go again, there you go again, making me love you.
Yeah, I stopped using my head, using my head, let it all go.
Got you stuck to my body, to my body, like a tattoo.
And now I'm feeling stupid, feeling stupid, crawling back to you.

So I cross my heart and I hope to die
That I'll only stay with you one more night
And I know I've said it a million times (Yeah)
But I'll only stay with you one more night
One more night
Oh, baby, give me one more night

Baby, there you go again, there you go again, making me love you.
Yeah, I stopped using my head, using my head, let it all go.
Got you stuck to my body, to my body like a tattoo.
Yeah, yeah, yeah, yeah

I cross my heart and I hope to die
That I'll only stay with you one more night
And I know I said it a million times (Yeah)
That I'll only stay with you one more night, one more night, one more night
Oh, baby, give me one more night
Oh, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah
Oh, baby, give me one more night
Baby, give me one more night
