

Titanium

Sam Tsui

You shout it out But I can't hear a word you say I'm talking loud, not saying much I'm criticized, but all your bullets ricochet You shoot me down but I get up

I'm bullet proof, nothing to lose Fire away, fire away Ricochet, take your aim Fire away, fire away You shoot me down, but I won't fall I am titanium You shoot me down, but I won't fall I am titanium I am titanium

Cut me down But it's you who'll have further to fall Ghost town and haunted love Raise your voice, sticks and stone may break my bones I'm talking loud, not saying much

I'm bulletproof, nothing to lose Fire away, fire away Ricochet, you take your aim Fire away, fire away You shoot me down, but I won't fall I am titanium You shoot me down, but I won't fall I am titanium Ooh Titanium

Stone hard, machine gun Firing at the ones who run Stone hard, as bulletproof glass

You shoot me down, but I won't fall I am titanium You shoot me down, but I won't fall I am titanium Ooh Titanium

I'm bulletproof, nothing to lose Fire away, fire away Ricochet, you take your aim Fire away, fire away
