

Try

Sam Tsui

Ever wonder about what she's doing
Or how it all turned to lies
Sometimes I think it might be better
To never ask why

Cause where there is desire
There's gonna be a flame
And where there is a flame
Someone's bound to get burned
But just because it burns
Doesn't mean you're gonna die
You gotta get up and try, try, try, try
You gotta get up and try, try, try, try
You gotta get up and try, try, try, try

It's funny how the heart can be deceiving
More than just a couple times
Why do we fall in love so easy
Even when it's not right

Cause where there is desire
There is gonna be a flame
And where there is a flame
Someone's bound to get burned
But just because it burns
Doesn't mean you're gonna die
You gotta get up and try, try, try, try
You gotta get up and try, try, try, try
You gotta get up and try, try, try, try

Ever worried that it might be ruined
And does it make you wanna cry
When you're out there doing what you're doing
Are you just getting by
Tell me are you just getting by

Cause where there is desire
There is gonna be a flame
And where there is a flame
Someone's bound to get burned
But just because it burns
Doesn't mean you're gonna die
You gotta get up and try, try, try, try
You gotta get up and try, try, try, try
You gotta get up and try, try, try, try
You gotta get up and try, try, try, try
You gotta get up and try, try, try, try

Just because it burns doesn't means you're gonna die
You gotta get up and try, try, try.
