

We Are Young

Sam Tsui

Give me a second, I
I need to get my story straight
My friends are in the bathroom
Getting higher than the Empire State
My lover, she is waiting for me
Just across the bar
My seat's been taken by some sunglasses
Asking 'bout a scar

I know I gave it to you month ago
I know you're trying to forget
But between the drinks and subtle things
The holes in my apologies
You know I'm trying hard to take it back

So if by the time the bar closes
And you feel like falling down
I'll carry you home

Tonight
We are young
So let's set the world on fire
We can burn brighter than the sun

Tonight
We are young
So let's set the world on fire
We can burn brighter than the sun

Now I know that I'm not
all that you got
I guess that I
I just thought
maybe we could find ways to fall apart

But our friends are back
So let's raise a cup
Cause I found someone who can carry me home

Tonight
We are young
So let's set the world on fire
We can burn brighter than the sun

Tonight
We are young (We are young)
So let's set the world on fire (fire)
We can burn brighter (brighter)
Than the sun

Carry me home tonight
Carry me home tonight
Carry me home tonight
Carry me home tonight

The moon is on my side
I've got no reason to run

So someone come and carry me home tonight

The angels never arrived
But I can hear the choir
So someone come and carry me home

Tonight
We are young
So let's set the world on fire
We can burn brighter
Than the sun

Tonight
We are young (We are young)
So let's set the world on fire (fire)
We can burn brighter (brighter)
Than the sun

So if by the time the bar closes
And you feel like falling down
I'll carry you home tonight
