We Found Love

Yellow diamonds in the light, And we're standing side by side. As your shadow crosses mine, What it takes to come alive..

It's the way I'm feeling I just can't deny, But I've gotta let it go.

We found love in a hopeless place We found love in a hopeless place We found love in a hopeless place We found love in a hopeless place

Shine a light through an open door, Love and life I will divide. Turn away cause I need you more, Feel the heartbeat in my mind.

It's the way I'm feeling I just can't deny, But I've gotta let it go.

We found love in a hopeless place We found love in a hopeless place We found love in a hopeless place We found love in a hopeless place

Yellow diamonds in the light, And we're standing side by side. As your shadow crosses mine,

We found love in a hopeless place We found love in a hopeless place We found love in a hopeless place We found love in a hopeless place

We found love in a hopeless place We found love in a hopeless place We found love in a hopeless place We found love in a hopeless place
