

## Angel's Decay

Samael

You Know My Friend  
I've Been Walking On A Really Strange Path Lately  
I'm So Glad You Were Not There  
To See My Fall, To See Me Passing On  
My Wound So Deep  
My Veins Open Wide  
Letting Flow My Distress  
Letting Flow My Requests  
Listen My Friend  
As No One Wanted To Hear I'm Telling You Now  
So Weak Was My Hope  
So Cold The World Around  
So Strong The Calls  
My Pain Invited Echoes To My Pain Anguish  
Coiled In The Gut Like A Starving Worm  
Fallen, Between...  
I Slide Down The Hole At The Center Of My Soul  
I've Given Up, I've Given Up, Larvae Rots  
For I Let The Angel Rise...
