

## Into the Pentagram

Samael

Prisoner of my dreams  
Slave to my illusions  
Paralysed by the anguish of a new day  
Tormented by the desire of glory  
The thirst for power

I'm refuging into the pentagram  
Where I fear nobody  
I dominate my enemies  
I lead my friends  
All belongs to me, body and soul

Prisoner of my dreams  
Slave to my illusions  
Paralysed by the anguish of a new day  
Tormented by the desire of glory  
The thirst for power

I'm retreating into the pentagram  
Where I become possessor of your lives  
Dictator of your thoughts  
Master of your acts  
The pentagram is my invincible weapon...
