

# Poison Infiltration

Samael

[To Catherine Deshayes (La Voisine)]

Slow and painful death  
Subtle and dangerous attack  
- Brook of scorn  
- Stream of anger  
- River of hate

Poison infiltrate society

Rich and poor  
Noblemen and beggars  
Everyone has the key

Personal vengeance or  
Crime of passion  
Cyanide remain eternal

Mixture prepared in sombre conspirations  
Everywhere it slips poison sows confusion

Neither the wheel, nor stake  
Can stop his ravages  
Neither the wheel, nor stake  
Will calm people's hate

Vicious and intelligent death  
Certain and long degradation

Poison infiltrate society

Execrable beverage or refined wine  
No matter the administered dose  
Nobody can be immunized
