

## Confession

Samantha Fox

Every once in a while, every now and then  
You make a mistake, it's crying time again  
So easy to do, too hard to forget  
Every moment you lay in your empty bed

(Je vous aime, je ne comprends pas  
Pourquoi, pourquoi)

And now it's time to want confession  
It's so hard to learn the lesson

(Laisse-moi)

I know I'm accused & God only knows  
How I came to lose it all too soon  
I'm begging you, please believe in me  
'Cause I'm praying for forgiveness, Forgive me

(Je t'accuse, je ne comprends  
pourquoi, pourquoi)

Ah

(Vous m'avez menti, je suis désolé, je ne peux pas vous pardonner)

I know I'm accused & God only knows
