

# I Wanna Have Some Fun

Samantha Fox

Hello, it's me again  
Don't you know it's hard to keep a good woman down  
But then again, maybe that could be fun  
Sa-Sa-Sa-Sa-Samantha Fox!

Ain't it funny how when I say let's go out  
You're always saying someone else will get me  
What's a girl to do - I like to have fun too  
But you're so jealous - you never let me

So how come you can leave - but when it comes to me  
Always something I must prove  
You know I love you - always thinking of you  
But tonight - I've got to make that move

I wanna have some fun  
Move my body all night long  
I wanna have some fun  
Move my body all night long  
Working 9 to 5 each and every day  
What your momma used to say - All work - No play  
I know what to do - I think I'll call my crew  
Of course, I love you - but naughty girls need fun too

Could it be that I make you feel guilty why  
Is there something I can't see - NO  
I just don't buy it - so don't even try it  
I've got to go in the place to be

I wanna have some fun  
Move my body all night long  
Working hard every day  
So I ain't staying home no way

I need it  
I want it  
Got to  
Flaunt it

I'm not a prisoner - can't you see  
Unlock the door so I can breathe  
Whenever it comes to you my dear  
I say stay with me but you still go  
So now I learn, it's my turn

I want you to stay here with me  
You can have fun with me  
With you?  
Yeah, with me!  
Come on... I can have loads of fun without you  
Without me?  
Yeah!
