

# If Music Be The Food Of Love

Samantha Fox

If music be the food of love, then play on  
Play on, play on  
Play on, play on

If music be the food of love, then baby play on, play on  
Let the heavens celebrate our love  
And baby, play on, play on

To be or not to be, it doesn't matter much to me  
(That's right)  
Wherefore art thou my romeo, the only boy I want to know  
He's mine (he's mine)

I guess I'm lucky, I lead a charmed life  
I want you boy for the rest of it  
I know baby that you want me too  
We can make music the whole night through

And that's Shakespeare  
To be or not to be

Romeo oh Romeo  
Wherefore art thou my romeo  
(He's the best)  
Hold me tight and dance with me  
And whisper words of poetry, yeah

You say that love will satisfy this heart of mine  
Sweet words of love will penetrate me every time

I wear my heart upon my sleeve  
I want you baby, don't ever leave  
If love is blind, that's all Greek to me  
'Cause we'll live a charmed life in perfect harmony, yeah

To be or not to be  
To be or not to be  
That's Willie the shake  
Play on  
To be or not to be  
To be or not to be  
Play on, play on

That is Shakespeare  
To be or not to be....
