## **Naughty Girls (Need Love Too)**

## Samantha Fox

Maybe, just maybe
Naughty girls need love too

I've been told time and time again
That you can't treat love like a game
But I play rough with hearts that never mend
'Cause some guys like you do the same
Love was just a four-letter word
Never heard, how absurd, how could it be
But now I can't believe this is real
How I feel, now you steal my heart away from me

Used to be so good and so bad Sex was something I just had Used to always know what to do Now you've got me confused

Baby don't let me be misunderstood Temporary love's so bad, but it feels so good Then along came you, now I know it's true Naughty girls need love...too

Then came you Then came you

Yes it's true, I'm in love with you

And believe it baby, this time your love won't get away

Stay here, in the place to be - we can get busy my way

For six forevers and a day-ay-ay

Ooh, it's only you I adore

So much more then my body was asking for

Yes, your love is breaking my chill

Even still, there's a thrill in my heart

## Whoah!

So moving like you're forty
This groove is much too naughty
Can't you see, I want you just for me
Boys, make some noise
Girl, I want to shower you with diamonds and...
Please don't tease, if you lie my heart will freeze
Freeze, freeze, freeze, freeze, freeze, freeze...
