

## Threw Our Love Away

Samantha Fox

Don't you know when I saw you babe  
I, wanted you to come with me  
By my side now and forever  
Wrapped up in our fantasy

The touch of your skin  
Gave me my dreams  
You didn't say, that you'd break my heart

Threw our love away.... Away

So I surrender now that I'm, free again  
Loving you was all to easy, I've  
Only got myself to blame

The touch of your skin gave me my dreams  
You didn't say that you'd break my heart  
Ahh

Threw our love away  
Ahh  
Away

Don't you know when I saw you babe  
I wanted you to come with me  
By my side now and forever

Wrapped up in our fantasy  
The touch of your skin gave me my dreams  
You didn't say you'd break my heart

Threw our love away  
Ahh  
Away

Threw our love away  
Ahh  
Away

Threw our love away  
Ahh  
Away

Threw our love away  
Ahh  
Away

Ahh
