

Forever

Samantha Jade

Oh oh oh oh
Oh oh oh oh

Two weeks and one more to go,
The time without you seems to pass me by so slow,
How I wish you were here with me,
Cause you're the air that I breathe.

And I
I keep on falling down,
When you're not around but,
You make it better.

And I
I can't go another day,
Without you here next to me,
Cause it's like it's been forever.

And I
Don't know how I will survive,
Without you here in my life,
Cause it's like it's been forever.

All I do, all I do, all I do
Is think of you, (is think of you oh)
All I do, all I do, all I do
Is think of you.

All I have is your ring on a chain,
And it reminds of somehow I'll get through the rain,
So now it's come so clear to me,
You're where I wanna be.

Oh and I
I keep on falling down,
When you're not around but,
You make it better.

And I
I can't go another day,
Without you here next to me,
Cause it's like it's been forever.

And I
Don't know how I will survive,
Without you here in my life,
Cause it's like it's been forever.

You're the only one who really knows me,
And baby when you're around,
You make it better.

All I do, all I do, all I do
Is think of you
All I do, all I do, all I do
Is think of you, (you)

And I
I can't go another day,
Without you here next to me,
Cause it's like it's been forever.

And I
Don't know how I will survive,
Without you here in my life,
Cause it's like it's been forever.

And I
I can't go another day,
Without you here next to me,
Cause it's like it's been forever.

And I
Don't know how I will survive,
Without you here in my life,
Cause it's like it's been forever.
