

# Shaken

Samantha Jade

Yea yea yea

It's midnight and I'm awake in this empty room  
Thinking of you  
Alone it's just me and my heart and the truth  
What do I do?

Should I?  
Should I let you in?  
Should I?  
And let this thing begin  
Cause I'm tired of hiding from you  
I need to know if it's the right thing to do

Cause you got me shaken  
And I don't know what to do when I'm thinkin of you  
No more wakin to a dream that is oh so true  
And baby you do  
You got me shaken shaken  
My world's shaken shaken  
Got me shaken  
And I don't know what to do when I'm thinking of you  
My world's shaken

Tonight I am waiting on the kiss of life (and to look in your eyes)  
But for now all that I can do is fantasize that you'll be mine  
Should I?  
Should I blame me so bad?  
When I  
Wish I hadn't gone back  
Cause I'm tired of hiding from you  
I need to know if it's the right thing to do

Cause you got me shaken  
And I don't know what to do when I'm thinkin of you  
No more wakin to a dream that is oh so true  
And baby you do  
You got me shaken shaken  
My world's shaken shaken  
Got me shaken  
And I don't know what to do when I'm thinking of you  
My world's shaken

I've been waiting (oh)  
I'm, I'm so confused  
I just wanna be close to you

(Oh) You got me shaken  
And I don't know what to do when I'm thinkin of you  
No more wakin to a dream that is oh so true  
And baby you do  
You got me shaken shaken  
My world's shaken shaken  
Got me shaken  
And I don't know what to do when I'm thinking of you

No more waking to a dream that is oh so true

And baby you do  
You got me shaken shaken  
My world's shaken shaken  
(Said you got me) shaken  
And I don't know what to do when I'm thinking of you

My world's shaken

Shaken  
Shaken!  
My world's shaken
