Baby Come Over

Baby come on over tonight, we can make it all right
Take a piece of my heart.
And go from the start.
Baby come on over tonight.
We can make it all right.
Boy there's no one like you.
Do you feel it too.

You say that you want me.
Again and again.
You say that you need me.
To be more than just you're friend.
So I thought about it.
And may be you're right.
I've been checking your records.
And they seem all right.

So when we get together.
If just for a while.
Let's make it happen.
Don't waste any time.
And now I need to find out.
What you're about so come over tonight let's sort this out?
