

# What's It Gonna Be

Samantha Mumba

You Know There Is No Need To Run  
No Need To Hide  
Cos Baby I'm not gonna fight  
No No  
Just me and you thats running hard  
I wanna know what you're all about  
Baby Baby Baby

What's It Gonna Be  
Cos I'll Show You  
You Show Me  
Oh Baby Oh Baby  
Could You Be My Destiny  
Cos I'll Show You  
You Show Me  
You Saw Me Baby

So If I walk up to ya now baby  
Face To Face  
Eye To Eye  
Would You Turn Your Back On Me  
Or Would You Stay Would You Stay  
Or Walk Away

What's It Gonna Be  
Cos I'll Show You I Saw You  
You Show Me  
Oh Baby Oh Baby Oh Baby Baby  
Could You Be My Destiny  
Cos I'll Show You I Saw You  
You Show Me  
You Saw Me Baby

You Saw Me Baby

What's It Gonna Be  
Cos I'll Saw You I Saw You  
You Show Me  
Oh Baby Oh Baby Oh Baby Baby  
Could You Be My Destiny  
Cos I'll Show You  
You Show Me  
it's All In Baby  
What's It Gonna Be  
Cos I'll Saw You I Saw You  
You Show Me  
Oh Baby Oh Baby Oh Baby  
Could You Be My Destiny My Destiny  
Cos I'll Show You  
You Show Me  
it's All In Baby
