

Beautiful Feeling

Sámer Issa

Feeling chills up my spine,
another day to redesign,
All the things I have,
I should be grateful.
It's takin' strength to survive,
and I'm hardly alive,
For all you did,
you made me so hateful.

Ref : You hold me in your arms,
you take me from all harm,
you gave me these beautiful,
beautiful feelings.
Used to tell me "I love you,"
wontcha tell me why do you,
you destroy these beautiful,
these beautiful feelings.

Why you gotta be a bitch?
And I'm sick of all your tricks,
you made me feel
like it's all right.
It's all wrong.
Like a thief,
you steal my stuff,
and most of all betrayed my trust.
For all these reasons,
I just can't forgive you now.

This is why I go through so
much emotion and I hate you so,
and our love, yes you know,
where'd it go?
I don't know.
It's the reason.
I'm a wreck,
I know that you can not give back
this beautiful feeling.
Beautiful feeling.
