

Move

Sámer Issa

She's a sexy lady,
she's a groovin' baby,
she ain't wastin' no time.
She don't care what you say,
gonna do things her way,
gonna teach you to fly.

See her knock down da door,
headin' straight for da floor,
she know what she got in mind.
Body bump to da beat,
If ya like whatcha see,
move it, don't get left behind.

Da way she move - she gonna take ya down.
Da way she move - she gonna take ya down.
So watch da way she move.

She's a sexy lady,
she's a groovin' baby,
she ain't wastin' no time.
She don't care what you say,
gonna do things her way,
gonna teach you to fly.

So she takin' ya out,
take ya out in da crowd,
show ya whatcha never know.
Feel her hands on your skin,
feel her takin' ya in,
gettin' ready to let go.

Da way she move - she gonna take ya down.
Da way she move - she gonna take ya down.
So watch da way she move.
