Lords Of The Left Hand

Left hand power of the pure The world will tremble at our command Left hand power of the lords Builds upon our destiny Destiny, take this land Take this land by the death of man Left hand triumph of the will The world will whimper in our wake

At war with the planets At war with all mankind We will change the face of this earth As our lord commands In our holy quest for supremacy Be our holy crime (grail?)

Left hand power to take What was ours from the day of birth Left hand is grasping strong It does not fear its destiny

At war with the planets At war with all mankind We will change the face of this earth As our lord commands In our holy quest for supremacy Be our holy crime (grail?)

Left hand, destiny Left hand

At war with the planets At war with all mankind We will change the face of this earth As our lord commands In our holy quest for supremacy Be our holy crime (grail?) Samhain
