

## It's A Game

Sami Yusuf

It's a game, that they play

Shatamuhu lamma jahiluh  
They insulted him when they didn't know him

Tabi'uhu lamma arafu hudah  
They became his followers when they truly knew him

What a shame, what they say

Shatamuhu lamma jahiluh  
They insulted him when they didn't know him

Tabi'uhu lamma arafu hudah  
They became his followers when they truly knew him

Where are you in my dreams?  
You feel so close but so far  
When all I want is to see  
Your face in front of me

You make me chase around  
Shadows in the moonlight  
Only for the sunrise  
To open my eyes

Makes me jump to my feet  
Walk around the city streets  
Hoping that I'll find you  
By my side.

Then I feel your sunlight  
Beautiful and so bright  
Feeling I'm in your arms  
For a while

Hours pass like a breeze  
Moving through the palm trees  
Hand in hand you and me  
With your smile

Shatamuhu lamma jahiluh  
They insulted him when they didn't know him

Tabi'uhu lamma arafu hudah  
They became his followers when they truly knew him

What a shame, what they say

Shatamuhu lamma jahiluh  
They insulted him when they didn't know him

Tabi'uhu lamma arafu hudah  
They became his followers when they truly knew him

[Turkish]  
Sen benim nazli yarimsin

You, my delicate beloved

Sen benim gozbebegimsin  
You, the light of my eye

Sana gonulden baglanmisim ben  
Tied to you, at the heart

Sen sevdiğim sevdiceğim  
You are my deepest love, my beloved

Ben seni bir gul gibi koklarım  
Inhaling your scent, just like smelling a rose

Askinla tutusur askinla yanarım  
Burning inside, with the fire of your love

Hep seni arar seni sorarım  
I always look for, and ask of you

Sana varmak icin hayal kurarım  
Always dream of reaching you

[Urdu]

Tera tasawur mera he sakoon hai  
The very mention of you becomes my tranquility

Tera nam leana mera hai janoon  
To take your name, it becomes my sanity

Woh metee batein teree hee soonoo mein  
Those sweet conversation of yours I would listen too

Duniyah boora maa ne tho mein kya karoo  
If the world deems them offensive, what do I care?

Shatamuhu lamma jahiluh  
They insulted him when they didn't know him

Tabi'uhu lamma arafu hudah  
They became his followers when they truly knew him

What a shame, what they say

Shatamuhu lamma jahiluh  
They insulted him when they didn't know him

Tabi'uhu lamma arafu hudah  
They became his followers when they truly knew him

I need you in my life like the air with which I breathe

So let them say what they want to say  
It's the same game they always play  
I'll turn my ears the other way,  
It makes no difference either way  
It's a game they're always going to play  
Let them say what they want to say

It's a game

It's a game

It's a game

They're always going to play
