

## Munajat (Arabic)

Sami Yusuf

Wahdi fi dhulmati layli,  
Fi wahshati darbi,  
Hammi yuthqiluni,  
Dhanbi yu'limuni,  
Alone, in the darkness of my night  
In the loneliness of my path  
My worries weigh me down  
My sins pain me

Wahdi, ad'uka wa arju,  
Min dhanbi ashku,  
Mali siwak,  
Ana fi himak,  
Alone, I supplicate to You and I hope,  
From my sins I complain,  
I have no one but You,  
I am at Your door,

[CHORUS:]  
Farham 'abdan najak,  
Ya Allah, ya Allah,  
Anta alraja, Minka alhuda,  
Ya Allah, ya Allah,  
So forgive a servant who intimately calls You  
O Allah, O Allah  
You are all hope,  
From You is guidance  
O Allah, O Allah

Rabbahu hudak, Ma ziltu asir  
Wa'alal 'isyan. Ma 'udtu qadir  
Fa'anir durubi, Waghfir dhunubi  
Fa'anal faqir  
O Allah give me your guidance  
For I am still imprisoned  
Of disobedience I am no longer capable  
So illuminate my paths and forgive my sins  
For I am poor and in need of You

Qad 'adal qalbu, Fiddarbi yasir  
Farihan mushtaqan, Lillahi yatir  
Wa rajahu ridhaka, Yawma liqaka  
Antal qadir  
My heart has returned to walk on the path,  
Full of joy and longing, flying to God,  
And its only hope is gaining your pleasure,  
On the day of meeting You,  
You are the Omnipotent

[CHORUS]
