

# The Creator

Sami Yusuf

La ilaha illa Allah  
(There is no god but Allah)  
He created the plants and trees  
He created the birds and bees  
He created the oceans and seas  
Some of His many bounties  
He made us on earth trustees  
To obey all His decrees  
Oh Allah have mercy please,  
Clean away our hearts' disease

[Chorus]

Jalla Allahu fi 'oulah  
(Glorified is Allah in His loftiness)  
Ma lana rabbun siwah  
(We have no lord but He)  
La ilaha illa Allah  
Awwalun qablal wujud  
(He is the First before existence)  
Aakhirun Ba'dal khulud  
(He is the Last after eternity)  
Mutlaqun 'anil hudud  
(Absolute is He above any limits)  
Wajibun lahus sujud  
(Obligatory it is to prostrate to Him)  
Rabbun wahibul hayah  
(The Lord who bestows life)  
Mujrir rihi wal miyah  
(He makes the wind and water surge)  
Fadhat binnada yadah  
(His blessings are overflowing)  
Tuba lilladhi hadah  
(Successful is he whom He guides)

[Chorus]

He gave the day and night  
He gave us our sense sight  
He created the sun so bright  
And the moon so pure and white

He saved from our plight  
He led us towards the light  
He led us to the straight path  
Through his mercy and his might

[Chorus]

Lord of the earth and the sky  
Lord the mountains so high  
Lord of the day and the night  
Lord of joy and delight

[Chorus]
