

# Wherever You Are

Sami Yusuf

My best times  
Were when I felt close to you  
But everything fell apart  
The moment I strayed from you

In each smile  
In every single sigh  
Every minute detail  
Traces of you are found there

Wherever you are I'll find you  
Cause you're the one I turn to  
Wherever you be I'll be with you

Cause you're the one my heart is to  
I need you

To see your smile  
I would pass every trial  
Desperately I await  
For the day when I'm by your side

Wherever you are I'll find you  
Cause you're the one I turn to  
Wherever you are I'll follow you  
Cause you're the one I turn to  
Wherever you be I'll be with you  
Cause you're the one my love is to  
My love is to

Wherever you may be  
I'll follow till I see  
In my heart you will be  
Your love is all I need

In every single smile  
Every single sigh  
Every minute detail  
Traces of you are there

Wherever you may be  
I will search till we meet  
In my heart you will be  
Your love is all I need

Wherever you may be
