

Because You Don't

Samiam

Just because you don? doesn't? mean I don?.

Just because you do doesn't mean I want you too.

Treat him like shit and you'll have him hooked.

Hook, hook, hook line and sinker.

You're everybody's girl and everybody knows your name.

You've finally got the chance to play things your own way.

Just because you don't doesn't mean that I don?.

Just because you do doesn't mean I want you too.
