

searching for pictures in the tiles on the floor while the day  
light slips by almost unnoticed minutes to hours spent doing le  
ss voluntary confinement heart beat at rest all systems failing  
lost at sea not sailing only just getting by at best i've long  
resisted the static i exist in i should be calloused instead i  
built this palace raise the bridge i'll spend the evening in a  
nd out the window with more than i care to know you don't need  
to feel ashamed of things you will only do again guilty thought  
s will fade away with a routine of denial and forgetfulness all  
systems failing lost at sea not sailing only just getting by a  
t best i've long resisted the static i exist in i should be cal  
loused instead i built this palace raise the bridge i'll spend  
the evening in and out the window with more than i care to know  
you don't need to feel ashamed of things you will only do agai  
n guilty thoughts will fade away with a routine of denial and f  
orgetfulness
