

# Don't Break Me

Samiam

Sitting in one corner, don't know what to think  
I can't speak, I sink little deeper with every drink  
I try to sleep, I shut my eyes  
Like a leaky faucet fear floods the room

One that drips away patiently by day  
It was either lost or it was stolen but it's been missing for too long  
I woke up one morning, couldn't see the sunrise  
I can't recall

The exact moment now  
But it began some time ago  
And it makes me wonder after all I've done  
What have I got to show?

And it makes me wonder after all I've done  
What have I got to show?  
And it makes me wonder after all I've done  
What have I got to show?

I'm aggravated, I'm what you created  
Now please don't break me  
I'm aggravated, I'm what you created  
Now please don't break me

Sitting in the corner, I don't know what to think  
I can't speak, I sink a little deeper with every drink  
I try to sleep, I shut my eyes  
Like a leaky faucet fear floods the room  
Don't break me

I'm aggravated, I'm what you created  
Now please don't break me  
I'm aggravated, I'm what you created  
Now please don't break me

Don't break me  
Don't break me  
Don't break me  
Don't break me  
Don't break me

I'm aggravated, I'm what you created  
Now please don't break me  
I'm aggravated, I'm what you created  
Now please don't break me

Don't break me  
Don't break me  
Don't break me

I'm aggravated, I'm what you created  
Now please don't break me  
I'm aggravated, I'm what you created  
Now please don't break me

Don't break me

Don't break me  
Don't break me  
Don't break me
