

Ed Says

Samiam

I'm as doomed as doomed that be, you know
Now that's a pain that's gonna linger
Oh, give me a break, this is my luckiest of lucky days
I'm going completely mental I must say

This is like a joke I must say, yeah
This is my luckiest of lucky days
[Incomprehensible]
Oh, see that's a pain that's gonna linger

This is like a joke I must say
This is like a joke I must say
Oh, see that's a pain that's gonna linger
