

Free Time

Samiam

I feel like I'm flying lower now than ever
Dragging my heels kicking dust around
I don't know how I'm gonna get by
And I don't even feel like trying
I'm bored to death & useless
Wish I had something better to do with my free time

I don't have to get up so I don't sometimes
Someone left an empty on the shelf
Some people say they envy the way I spend my days
But I don't want to live like this
Broke and wondering what to do with my free time
