

Just Another

Samiam

We grew up together strong.
No fights, we knew each other's thoughts.
Those feelings that I can't express are words that aren't supposed to be said I guess.
If we are not the ones then who's to say what's wrong or right?

If now is not the time when will the right moment come?
There's too many people talking in their sleep.
It sounds like they're speaking in tongues.
If we're together we won't drown.
