

## Lack of Reason

Samiam

Tell me I'm alright I feel so small did I make the right  
Mistake I feel so small I hate feeling ashamed you shouldn't feel  
this way  
Who is condescending you shouldn't feel the same all pumped up  
and ready to  
Go I feel so small will I make the right mistake I feel so small  
I hate  
Feeling helpless who wouldn't reason you shouldn't feel ashamed
