

## Magellan

Samiam

Following the path I laid  
Through bottlenecks & barricades  
Retraced my steps to where we started  
It ain't easy, I'm always stumbling  
I can't remember some of the faces, some of the places  
now

It's never hard to ruin a good thing  
And even though I know what's best for me  
Sometimes I just don't want it, I'm always stumbling  
There's no easy way out of this but you can't cover all  
the exits

I'm afraid I might be lost again  
After all the pain I'm hoping back to you I'll find my  
way
